**CIC Report on Soviet Activities in the
Baltic area.
STANIS, alias Vytautas STANEVICIUS,
alias Vytautas STANEIKA**

REFERENCE: MGH-A-2855, dated 10 September 1948   Top Secret
(see sep. file)

1. Re above reference, the former Lithuanian army lieutenant
    STANIS is residing in Stockholm. He is identified here as
    Vytautas STANEIKA and a member of the Lithuanian Resistance
    group. Until recently the above subject has been an assistant
    and co-worker of our principal source on Lithuanian affairs
    (Wash: See 5 toc L88-78, dated 11 December 1946)

2. Essentially the information contained in your report had
    already been obtained in somewhat greater detail from our
    principal Lithuanian source here. According to our knowledge,
    the subject does not receive all details of information received
    but is acquainted with the general facts. From your reference
    report it is obvious that the subject is in contact with someone
    of CIC, Germany, and is supplying whatever information becomes
    available to him here.

3. As the situation exists today, we are of the opinion that any
    information received from this source would be second-hand,
    incomplete, and would already have been reported to this
    station by our principal Lithuanian source.

4. We are setting forth this situation in detail in order that it
    may be on hand to assist you in evaluating any future reports
    from this source. Additional personalia on the subject may be
    had if desired.

5. Any additional information from you regarding the Baltic area
    and Lithuanian personalities will be appreciated.
